

NOTES OF INTEREST

NORTH AMERICAN ASSOCIATION FOR COMMUNITY OF INQUIRY: One year ago in *Analytic Teaching* an inquiry was made to see if readers might be interested in forming a North American group focusing on the issues of Philosophy for Children within North America. I am pleased to announce that we are well on our way toward making that group a reality. The first conference has been scheduled for April 15-16, 1994, at the University of Texas at Austin (see Call for Papers on page 76).

NOTICE TO E-MAIL USERS: You can now submit articles at morehouser@aol.com for consideration by e-mail if you have access to Internet, Bitnet, or America On Line. I would also be happy to hear from any one about most anything. If you can be reached by e-mail, send a message and we will publish your e-mail address. We can begin an electronic "community of inquiry." Perhaps we can even set up a bulletin board for some more open discussions. If someone is more familiar with the process than I am, please set it up. Again *Analytic Teaching* will print the information about how to access it. It sounds exciting — I hope someone is up to the challenge.
